

Patronize These Businesses! Corpus Christi School Business Donations 2009-10

Corpus Christi is fortunate to have more than 200 local businesses, corporations and restaurants that have supported our school events through product donations, gift certificates and special offerings during the year. This comprehensive business list is intended to recognize their support. Please patronize these businesses and let them know you are a "Corpus Christi family" by either writing it on your credit card receipt or telling them personally. Please extend your appreciation so these businesses know that we are grateful for their support of our school and we support them, too.
